For Snacks: A student is responsible for bringing snacks and drinks to a game. At gymnasiums, we will need to eat outside. Snacks are snacks, not full meals. Please do not overfeed the players, nor the coaches. Girls should bring enough for 11 players and 1 coach. The boys should bring enough for 9 players and 1 coach. At home games, they should bring an extra 3 items for the scoring table and the referee. Tell me when a player is leaving. Don't leave me worrying, searching, waiting, and calling the police. My cell number is **(808) 271-0490**, in case some traffic issues cause a delay.

Alloha Ke Akua,
Mr. E.
