

FEBRUARY BOOK REPORT GUIDELINES

REPORTS ARE ALL ACCELERATED READERS:

We have entered the Lutheran School AR Challenge Contest that begins January 28th. We will compete against other Fifth Grade classes in Lutheran Schools that sign up to compete. The school with the highest point average per student in that grade will win a prize. This competition runs till March 14th. **Last year we came in 25th** out of about 50 fifth grades.

Required: **All students in 5th grade must contribute 5 points.**

Pick books in your reading range. I have the range in the red binder with AR results for the year.

Our Librarian, Mrs. Nakamura, will be reporting the total AR points for us every 1 1/2 weeks. We can look on line to see how we match up with the other schools.
