Aloha Seventh Grade Parents!

The excitement built last night, as we shared our *March 11-14, 2008, Pacific Monarch Science Expedition* information (website: [http://www.watermanacademy.com/the\\_ships\\_pacific\\_monarch.htm](http://www.watermanacademy.com/the_ships_pacific_monarch.htm)).

Thank you for all of your positive comments, questions, and general goodwill! One of our fathers, Mr. Rick Goodwin, is volunteering to spearhead part of the fund raising effort and help to get the students involved as well. He will pursue foundations and/or companies' funding sponsorships.

**The following survey** will help clarify our plans. In order to expedite matters (scheduling fundraising events) before the Fall Intersession, please return this form to me, **in the classroom, by this Monday, September 24<sup>th</sup>.**
