

Fantastic First Graders!

Our Savior Lutheran School
May 12-16, 2008

What's New!

Students ran, jumped, threw, cheered, ate, and had a great time at our annual school

Olympics last week! First grade students were stars of many events, and big-time cheerleaders for all events. Cheering is something first graders really know how to do! :) All first graders were great participants for their respective teams! We are really proud of each other. The support of many families and friends made it such a fun time for all of us! Thank you so much for all your donations! Thanks also for the donations of Pennies (and nickels, dimes, quarters and dollar bills!) for Patients. Our collection container is very heavy! **Madison** was our Student of the Week! We already know who it will be next week, because we only have one name left to draw from our jar, but we'll look forward to Monday just the same.

Phonograms—See reverse side

We take a written test on the sound(s) made by certain letters on the last school day of the week. We review them every day in class. To help your child, make the sound(s) the letter makes by saying the words printed next to the sound made by the phonogram. Then have him/her write the letter or letters that make the sound or sounds. Please encourage your child's
