

# The Parent Teacher Fellowship Board

Mission Statement: Support the school program with prayers, money, communication, and volunteerism.

If you don't know much about us, you might be asking...

## What do we do?

\* Conduct fundraisers in the fall to support the teachers and students. This year we organized the sale of Sally Foster products, collected matching Foodland receipts and donations, and collected direct donations which can be matched 50% by the Thrivent Lutheran Matching Funds program.

\*Budget these monies for the school. Typically, each year the PTF pays for:

- Extra supplies for the classroom, chosen by the teacher
- OSLS Olympics
- Staff luncheon and hospitality for meetings/festivals
- Teacher appreciation gift certificates
- Special requests such as a new laminator, drapes for classrooms, computers, a new awning, and playground equipment

## Who are we?

Full-time working, as well as stay-at-home parents of students.

## How many positions are there on the board?

President, VP, Secretary, Treasurer, Classroom Parent Representative, Fundraising chairperson, Hospitality Co-ordinator. Each year we have vacancies to be filled.

## How do I get involved?

By volunteering your time and wisdom! Talk to a PTF member or Mr. Evensen about the available positions and volunteer for the position that suits you best. The board members are listed below. We encourage you to be a part of the decisions that affect your child's education. E-mail us at: [ptf@osls-hawaii.org](mailto:ptf@osls-hawaii.org)
