SUBJECT: *Valentine's for Veterans*

Dear Teachers/Staff & Faculty,

On behalf of all the service members deployed in Iraq & Afghanistan, Project Prayer Flag will be sending Valentine's care packages to the troops. On Feb 9th, they will pack items collected at Lanakila Elementary School Cafeteria.

How can OSLS help? **GOAL: 50 Valentine's Cards** made by OSLS students to be included in these care packages.

If this cause is something your class would like to support please let me know and I will provide the flyer going home to mom and dad with all the details. All that is required of you is to collect the cards and place them in my puka **before Feb 8th**. It may also be beneficial if your class participates in this worthy cause to include a reminder in your newsletter. Mahalo for your support!

A grateful Veteran and OSLS Parent Volunteer,

Pammella Laszlo
