

Great Discoveries

Dear Parents,

Welcome to our Summer fun program. Each week will have Great Discoveries theme starting with Creation, followed by Father's Day, Recycling, Heroes, and finishing with Happy Birthday America (July 4). The children can wear clothes to celebrate each theme, and we will be cooking or making projects related to each topic. Please bring in any old blue jeans, empty shoeboxes, plastic bags, or unwanted toys to donate for our class projects.

On a side note, the parking lot will be painted on Tue. and Wed., June 13-14th. If your child is sensitive to paint please avoid coming during those two days of Summer school. Just a reminder, July 4th Independence Day, there is No School.

I am excited and looking forward to an enjoyable Summer with your children!

Much Aloha,
Mrs. Nancy Heu
